“We can keep young people from being buried by debt and crushed from the weight of financial stress. The key is to teach them systems and strategies for managing their money before they make the mistakes that come from a lack of financial planning and understanding.” – *Miata Edoga, President & Founder Abundance Bound, Inc.*

WHAT IS PROJECT **C.H.A.N.G.E.**???

C.H.A.N.G.E. (Children Having Admiration In Growth & Entrepreneurship) The constant goal and mission must be to bring a sense of fun to financial education, while making the information accessible, in giving students real tools that will last them a lifetime. The high aim is to stop the illiteracy that has caused such economic turmoil, therefore inclusive with our program is a refined 2-Segmented Financial literacy ‘enVision: MPB curriculum’ & ‘Youthpreneur Performance Business Model’ that promotes Middle Schoolers’ to Youthpreneurs’. Check out some of the benefits to **Project C.H.A.N.G.E.** enVision:MPB courses & Youthpreneur Business Model below:
